

2019 LSA Volleyball Photography Information

TEAMS

Your team will be photographed in formal fashion for the official LSA photograph. In addition we will photograph the team in other poses. If you have special uniform accessories we encourage you to bring them. If you have a cheerleading squad it can also be photographed with your team and by themselves. School names, Tournament and LSA logos are automatically placed on the Team photos. In addition you may have FUN groups taken such as: the entire team jumping in unison, 8th grade only, informal poses, and inclusion of your cheering section (friends and relatives). We specifically encourage your friends and family to join you for a large group photo. Photography may be done 9PM – 4PM. Teams will be photographed on a first come (with ALL team members present) basis. If you need special arrangements or cannot come for your photograph-PLEASE-call or text Bill at 217-787-7216.

INDIVIDUALS SMALL GROUPS AND FAMILIES

Christa will be back to photograph any individual and/or small groups as time allows. There is no charge to be photographed, but please do not make others wait if you are not seriously contemplating a purchase. We do not photograph each player individually unless a request is made, so if you want an individual of your child, please tell them to make a request. Christa is an award winning photographer from St. Louis that is especially good with teens and young ladies.

PHOTOGRAPH PRICING

All photographs regardless of size are \$19 each

COPYRIGHT AGREEMENT

1 Timothy 5:18 says, "A worker is worthy of his reward." Because we spend a great deal of time and money to provide the LSA with this service, and the LSA requires and receives a portion of the money collected for the photography, we stipulate that no unauthorized photography and/or scans, print screens, and the like be used to reproduce our images from purchased photos or online images. We will ask you to stop any photography or videography while your team or individuals are being photographed by our photographers. Our Internet images will have an anti-copy watermark across each image posted online.

ORDERING

We will have screens to show you the team photographs and individuals from your session. These will be ready for you to view within a few minutes after your session is completed and throughout the day until 4PM. We will have order forms and people to help you with your order. If you want to save time in line, you may download or pick up an order form before being photographed and have the necessary info ready for selection and payment or print a copy and bring it with you. Payment may be by cash, check or credit card. All local and state sales taxes are included in the prices. You may order on Friday until 5PM. Orders after that time must be done online. Online prices are higher (\$20) and shipping is charged. You can also order wallets, and other sizes on line. Championship Sunday photographs may also be ordered online. These are the boys and girls champions as well as the All-Tournament teams and MVP's.

DELIVERY

Orders will be arranged by Schools and we will try to have them available by Saturday afternoon. We ask that each school designate a representative to receive the packets and distribute them to avoid long lines to get your photos. If your photographs are not available Saturday afternoon or you have already gone home, we will find a representative from your school on Saturday or Sunday or mail them to your school. If there are any mistakes in your order-call or text Bill at 217-787-7216 and we will fix it for you.

ONLINE VIEWING

Please go to www.bbmphoto.com and look for LSA or recent additions
