

2021 LSA Volleyball Photography Information

Your team will be photographed in formal fashion for the official LSA photograph. In addition we will photograph the team in other poses. If you have accessories we encourage you to bring them. If you have cheerleaders they can also be photographed with you or by themselves. School names, Tournament and LSA logos are placed on the Team photos. Player and coach names MAY BE placed on 8x10's IF REQUESTED. The photographers are not responsible for incorrect names given to us. If a name is wrong or misspelled in the program book, let us know because those are the names we will be using. We cannot correct any errors after 4PM Friday, so let us know if there are mistakes! There will be no refunds or reprinting of photos if the names are incorrect. You may have FUN groups taken such as: the entire team jumping in unison, 8th grade only, informal poses. Your friends and family may join you for a large group photo. Photography may be done 8:30AM – 5PM. Teams will be photographed on a first come (with ALL team members present) basis. If you need special arrangements or cannot come for your photograph-PLEASE-call or text Bill at 217-787-7216. Kris will be back to photograph any individual and/or small groups as time allows. There is no charge to be photographed, but please do not make others wait if you are not seriously contemplating a purchase. We do not photograph each player individually unless a request is made, so if you want an individual of your child, please tell them to make a request.

PHOTOGRAPH PRICING

All Photographs will be \$20 each regardless of size -- 5x7 or 8x10

COPYRIGHT AGREEMENT

1 Timothy 5:18 says, "A worker is worthy of his reward." Because we spend a great deal of time and money to provide the LSA with this service, and the LSA requires and receives a portion of the money collected for the photography, we stipulate that no unauthorized photography and/or scans, print screens, and the like be used to reproduce our images from purchased photos or online images. We will ask you to stop any photography or videography while your team or individuals are being photographed by our photographers. Our Internet images will have an anti-copy watermark across each image posted online. Please do not photograph or video on display monitors while your team or individuals are being shown.

ORDERING and DELIVERY

We will have monitors to show you the team photographs and individuals from your session. These will be ready for you to view within a few minutes after your session is completed and throughout the day until 4PM. We will have order forms and people to help you with your order. Payment may be by cash, check or credit card. All local and state sales taxes are included in the prices. You may order on Friday until 5PM. Orders after that time must be done online. Online prices will be the same until Tuesday November 8th at 9PM CST. You can also order photos from Championship Sunday. We hope to have them to you before Thanksgiving, but no later than Nov. 28th. Each school should have someone responsible to get the photos from the school office and see that they are distributed. If any school does not receive their photographs by Tuesday November 28th, they should contact us.
