- 3) There will be **two** separate folders online per each boys, girls, and cheerleading team. Make sure to view both! One folder will be for individual, duets, and family photos and another one for groups and team photos. We will try and get all photos uploaded, viewable, and orderable online within ten or twenty minutes of your last school photo taken.

Friday Photography Procedure

LSA will assign a time for your team to be photographed. There are ten schools this year with both Boys and Girls teams. If scheduling permits, we would love to photograph them both together and individually. Your team will be photographed in formal fashion for the Official LSA Photograph. You may also have FUN groups taken such as: the team jumping in unison, 8th graders only, informal poses, and inclusion of your cheering section (friends and relatives). We specifically encourage your friends and family to join you for a large group photo. If you have a cheerleading squad, they may be photographed by themselves and/or with the team. School names, Tournament and LSA logos are automatically placed on the print team photos. Teams will be photographed as scheduled. If you need special arrangements or cannot come for your photograph - PLEASE- text Bill at 217-787-7216. PLEASE, encourage your coaches to participate in the photography. This is also where you pick up your T-Shirts as well.

INDIVIDUALS - SMALL GROUPS - FAMILIES

We will also photograph any individual and/or small groups. We do not photograph each player individually unless a request is made. If you would like an individual of your child, please tell them to make a request. There is no charge to be photographed, but due to time constraints please request only if you are seriously contemplating a purchase.

Special Bonus Individual and Family Portrait Sitzings

Grandparents and cheerleaders love this option. We will shoot up to nine different poses of any single individual player, cheerleader or family grouping (parents, children, grandparents, etc.) and provide you with high resolution digital files for \$90 for the set. These may be taken Friday(9-6) Saturday(9-5) or Sunday(10-2). Payment is required **before** the sitting with cash, check, or credit card. The first 20 customers will receive a free USB flash drive with the files. You may also bring your own USB drive or device for downloading or you may download them from our website.

CHAMPIONSHIP SUNDAY PHOTOGRAPHY

At the conclusion of the Girl's Championship awards ceremony we will photograph the All-Tournament Team and the MVP on the gym floor. The Champion and 2nd place teams will proceed to the stage side of the old gym where we will photograph the Champions with their banner, trophy, game ball and fans. If any players wish to have an individual or family photographs with banner, trophy, and ball we will do that also. The 2nd place team may use the reverse side of the background, but must make a request if they want us to photograph them.

At the conclusion of the Boy's game we will photograph the All-Tournament Team, MVP, Championship team and fans on the new gym floor.

You may purchase prints and/or digital files of the Championship photos online.

COPYRIGHT AGREEMENT

1 Timothy 5:18 says, "A worker is worthy of his reward." Because we spend a great deal of time and money to provide the LSA with this service, and the LSA requires and receives a portion of the money collected for the photography, we stipulate that no unauthorized photography and/or scans, print screens, and the like be used to reproduce our images from purchased photos or online images. We will ask you to stop any photography or videography while your team or individuals are being photographed by our photographers. Our online photos will contain an anti-copying watermark. Please understand that in order to continue to provide this service we cannot allow others to use our backgrounds and expertise. There are other areas where parents may take their own photos; so please use those places. Thank you for cooperating. You may gift and reproduce your purchased digital files as often as you wish.

Special Portfolio Photography for Cheerleaders

As a former cheerleading sponsor at Springfield High School I know how sometimes the cheerleaders feel left out at big tournaments. Because we are unable to be at your competition and time constraints do not permit squad photography on Friday evening, we are setting aside special times on Saturday(9-5) and Sunday(10-3) at Arlington Heights for any squad, family or individual cheerleader photography.

For individuals and families we are offering a **digital** special of 9 different poses for \$90. You may use your favorite search engine to find poses you like and save them to your phone or tablet to show us. We will attempt to duplicate them if possible and appropriate. You can make whatever size and number of prints you desire with your digital files. You cannot get this special for pictures of the entire squad.

You don't have to come with your entire squad to be photographed, but please have a responsible adult with you. These sessions must be paid for at the time of the sitting with cash, check, or credit card. You will be able to download the **digital** images after you are photographed. If you wish to schedule a specific time on Saturday or Sunday, you can call or text me at 217-787-7216 to make an appointment for your squad, individual cheerleader or family.

The first 20 Portfolio Customers will get their digital files on a free USB jump drive downloaded at the time of your sitting or you can bring your own USB jump drive if you wish.
