

2024 BASKETBALL-CHEERLEADING PHOTOGRAPHY INFORMATION

Dear Parents, Players, Coaches, Administrators, and Fans!

Congratulations on competing in the 2024 State LSA Basketball Tournament. The best parts of the tournament are the memories you will have and share with your friends and teammates. To embrace these memories; team, individual, small group, and family photographs are made available to you with special LSA logos and your school's name, city, and school mascot. Each team or squad is photographed in a formal LSA pose, a jumping in unison photo, as well as any fun poses you may request. All the team's fans (parents, grandparents, siblings, classmates etc.) are asked to join the group. So be sure to have your fans come with you! We have a separate photographer for families, small groups, and individuals. There is no sitting charge for individual/small group photos, but we request you only be photographed if you intend to purchase copies. LSA will assign your team a time for your session. Cheerleaders may come anytime or request a time on Friday or Saturday. Photography will start at Arlington Heights St. Peter's Old Gym at 8:30 am on Friday and continue till 5pm unless special arrangements are made. We will also photograph and take orders on Saturday from 9am till 1pm. To make special arrangements, call Bill at 217-787-7216.

As camera cellphones have become ubiquitous over the years, we have had an increasing number of parents, players, or friends trying to take photos of the teams and small groups as we pose them, or on the TV's as we display the images. We cannot permit this if we are to continue providing our services to LSA. We will ask you to please refrain from taking any photos in the photography area.

At the conclusion of your session the photographs with orderable numbers will be displayed on the TV screens as well as immediately uploaded to your school's online gallery at www.bbmphoto.com/bball2024. We will have order blanks for you to place print photo orders on Friday and Saturday until 1pm (\$20 Each). You may also order online, but due to increasing online service fees, online order prices are higher (\$25). You may use the online galleries to more easily place paper orders on Friday to find your desired photo numbers faster (and at your own pace) rather than waiting for your individuals to cycle through lengthy slideshows. Cash, check, or credit cards will be accepted. Print photo orders placed by March 6th will be mailed to a designated person at your school. We also offer high resolution digital photo files from the website, downloadable immediately after placing your online order. These allow you to make unlimited print copies for family and friends, use on social media, for school yearbooks, etc. but will be unedited.
