

# 2024 VOLLEYBALL PHOTOGRAPHY INFORMATION

Dear Parents, Players, Coaches, Administrators, and Fans!

Congratulations on playing in the 2024 State LSA Volleyball Tournament. The best parts of the tournament are the memories you will make and share with your friends and teammates. To embrace these memories; team, individual, small group, and family photographs are made available to you with special LSA logos and your school's name, city, and school mascot. Each team is photographed in a formal LSA pose, a jumping in unison photo, as well as any fun poses you may request. All the team's fans (parents, grandparents, siblings, classmates, etc.) are asked to join the group. So be sure to have your fans come with you! LSA will assign you a time for your session. Photography will be at the New Parish Hall at Trinity Lutheran School at 9am on Friday until 5pm unless special arrangements are made. To make special arrangements, call Bill at 217-787-7216.

This year, Christa will be returning to take your individual, friends, and family photos. She is an award-winning photographer from St. Louis and is especially good with teenagers. You will be absolutely thrilled with her photos. Wait 'til you see them! There is no sitting charge for these photos and no obligation, but we request you only be photographed if you intend to purchase copies.

As camera cellphones have become ubiquitous over the years, we have had an increasing number of parents, players, or friends taking photos of the teams and small groups as we pose them, or on the TV's as we display the images. 1 Timothy 5:18 says, "A worker is worthy of his reward." Because all of our team spends a great deal of time and expense to produce these images, we ask you to please refrain from taking your own photos of our poses, backgrounds, and media.

At the conclusion of your session the photographs with orderable numbers will be displayed on the TV screens as well as uploaded to your school's online gallery at [www.bbphoto.com/VBall024](http://www.bbphoto.com/VBall024). Your school's online photo gallery will usually be populated within about 10 minutes of their final group photo photographed.

We will have order blanks for you to place orders on Friday for print photos (\$20 each) and digital files with the prices varying depending on the number of team members in each photo (1-3 is a Small Group, 4+ is a Large Group). You may also order online, but due to online service fees, online order prices are higher (\$5-10). You may use the online galleries to more easily place paper orders on Friday to find your desired photo numbers faster (and at your own pace) rather than waiting for your individuals to cycle through the slideshows. Print photo orders placed by November 6<sup>th</sup> will be mailed to a designated person at your school for distribution within about two weeks after the tournament. Digital files ordered in person will be delivered within one day. The digital files allow you to make unlimited print copies for family and friends, use on social media, for school yearbooks, etc. but will be unedited. Cash, check, or credit cards will be accepted.
